1. Who can be the person they want to be? See me.
2. How many want to be me rather than follow me?
3. Worshiping me, how many know my name, my essence and character, my attributes or how I speak with people, how I write through my beloved, how I massage their hearts with my love/speaking? I love you.

4. You tell them/show them me, not in a myth or mirage but in true flesh, yours being mine, mine being yours, you being me letting them know they are, they are me. In surrender they are/become the king they serve/think they serve.

5. And who can see the garland of stars around their neck? And who is the woman/dragon and what is Revelation about and why waiteth for me, so many, when inside them is I Am, the universe of universes unboundary'd and unlimited? I give you me I Am and I Am is I Am and who I am is I Am.

6. Is not my body, body of Christ/I Am? I Am my body, I am me, I am Christ. My father is me, my father is my body, my father is Christ. Who/we are one, is one. We are. We are one. Thank you for one'ing my body and taking on the revelational empires of me not me, not; but letting me/my father/us flow through you, which you've become us, and are we different? We are one/the same, same body breath and blood, marrow of only me/only mine. You are my flesh and blood. My terrestrial beings, celestial'd; no more being limited to. I love you all.

7. This is the day "taken on" not but revealed/surrendered to, father's revelation/revolution of father revealing father; in his troops not; for who is father? One. I am one. You are one in surrender to one and becoming one in surrender only, surrendering to one, in one, you become one: ultimate surrender; having/enjoying all, father's all/house. I love you all. Amen.

8. This is the day hated/loved and who can see opposites antithesis'd? And what meaneth this a man woman'd and who can see the miracles approaching, kingdom waning not but this one is, mine flourishing/coming forth at/in light speed. Greater. Me. Mine. I love you. I love you all. Now and forever. Amen.

9. This is the day of Jehovah's witness, not; **the revelation of one.** The day of charismania not; **the revelation of one**. Day of being born again thought without words not, but by words, not; revelation of the/my spirit in my body being

birth'd forth, brought forth born again of me/my spirit; a new creation is. I love you all. Amen. Amen. Amen.
So be it/all.

Amen
